education

University of Cincinnati   cincinnati, ohioGraduated June 2001 with a Bachelor of Science in Graphic Design degree from the college of Design, Architecture, Art, and Planning. Participant of the Professional Practice (Co-op) Program.

Sylvania Southview High School   sylvania, ohio
Graduated with Honors June 1996.

work experience

Freelance Graphic and Motion Design   cincinnati, ohio   8/08 – current

Iacono Productions   cincinnati, ohio   12/03 – 8/08
Full service Production House dedicated to Business Theater, Event Branding, Exhibit Design and Video Production. My role on the creative team as Senior Designer led me from concept & development, through execution & delivery on various projects. In the fast paced environment our goal was to deliver a message through multiple media forms including Video, Print, Web, Staging, Environmental Design & Keynote Presentations.

Louis Dreyfus / Wood Design   new york, new york   9/00 – 12/00
Multi-national corporate office with an in-house design team led by Tom Wood. I worked strongly with the production department designing and preparing advertisements, letterheads, corporate identities, brochures, and company christmas cards.

Addwater, Inc.   san francisco, california   3/00 – 6/00
Rapidly growing design firm specializing in strategy, brand identity, print & packaging, web & digital media, and environments and exhibits. As a co-op, I was exposed to all aspects of the design process but worked primarily on identity and web projects.

The Benchmark Group   cincinnati, ohio   3/99 – 6/99 & 9/99 – 12/99
Award winning package and point of purchase design firm recognized for work with the Cincinnati Ballet and Proctor & Gamble. I worked as a junior designer primarily on Oil of Olay projects, taking several from start to finish.
